

# BLS Event Bag

**BUILT IN AMERICA**

**Item #39995**

Originally developed for the Boston Fire Department this innovative BLS Backpack allows rescuers to easily maneuver through crowds or narrow spaces.

- The sleek, low profile design allows for easier migration through crowded events or tight spaces.
- Removable, padded storage insert holds all essential BLS supplies for easy organization and quick deployment.
- Features mesh pouch for a water bottle and an adjustable, ergonomic padded shoulder strap with loop to clip quick-access items.
- Ideal for EMT's, Firefighters and Police to carry a consistent, light-weight, mobile system for public events.
